Intensive fees, are refundable if cancellation is made at least one week prior to the workshop. In the event of a cancellation of the event, the participant shall receive a full refund of fees paid.***

## OUR STAFF

**Lisa M. Luciano, PhD; CSAT (3)** has been working in the field of addiction for over 18 years. Dr. Luciano joined the Thorpe Recovery Centre in the Fall of 2008 as the Clinical Director and is responsible for the ongoing evaluation and development of Thorpe Recovery Centre's residential, outpatient, detox and transition programs. She is a member of the Society for the Advancement of Sexual Health (SASH), and is a member in good standing with the Canadian Addiction Counsellors Certification Federation (CACCF). Dr. Luciano published her PhD work: "[Addiction Treatment for Youth and It's Impact on Mental Illness: How Adolescent Treatment for Addiction Impacts the Symptoms of Mental Illness.](#)" She is currently involved in continuing professional development at the International Institute for Trauma and Addiction Professionals (IITAP) and she is on their referral roster of sex addiction therapists (<http://www.sexhelp.com>).

**Jon Rokochoy- MA** has been with TRC for almost six years. Jon is an associate member of the Association for Marital and Family Therapy and a member in good standing with the Canadian Addiction Counsellors Certification Federation (CACCF). Jon is currently our family program manager and works extensively with the partners and family members of those impacted by addiction. Jon's family program is also used as a local training program for professionals interested in helping those they work with that are struggling with addictive disorders. Jon's work has been key in the development and expansion of our residential and family programs. He is passionate about working with individuals and family and has committed to continued professional growth through the International Institute for Trauma and Addiction Professionals.

**Todd MacIntyre, BSW, MSW** has been the residential program coordinator at Thorpe since April 2010. His training is in social work (MSW) and his experience includes working in addictions, community corrections, community development and community mental health. Todd is passionate about helping clients bring about the change they desire in their lives.
